## Design BDes

(78-79 credits)

### Why major in Design?

A major in Design educates and prepares students to conceive and produce creative solutions to satisfy the visual communication needs of society. Graduates are prepared for careers in graphic design, web design, multimedia design, advertising, printing, publishing or related fields. Theory and practice are covered in a variety of contexts, including process and product, form and content, type and image and interactivity. Current technology and future trends are addressed in the context of industry practices.

### Other Degree Options

Minor in Visual Communication Design and Certificate in User Experience Design

### Career Opportunities

Art Director, Design Manager, Designer (print and/or web/interactive), Freelance Designer, In-House Creative or Design Director, Illustrator, Production Designer, Junior Designer (print and/or web/interactive), Mobile Interface Designer, Motion Graphics Designer/Animator, Motion/Video Editor, Photographers, User Experience Designer, Web Developer (front end/interface systems), Web-based Rich Media and Motions Graphics Developer
