Elementary Education BAE

Why study Elementary Education?

The Theatre Bachelor of Arts degree is the professional pathway program for entrance into graduate-level theatre programs and/or professional theatre work. EWU theatre students often go on to be accepted into highly regarded MFA programs across the nation.

Field Experiences

The purpose of field experiences is to provide the teacher candidate with direct teaching/learning experience in a school setting. The candidate has the opportunity during this time to observe teachers, plan lessons, and teach under the guidance of cooperating teachers. Student teaching is the culminating field experience when the candidate co-teaches full-time for the entire quarter.

WEST-B / WEST-E

The State of Washington requires all candidates to take and pass the Washington Educator's Skills Test. The WEST-B, which tests basic reading, writing, and math skills, is required before admission to the Teacher Education Program. Satisfactory SAT or ACT scores may waive all or part of the WEST-B test. The WEST-E is taken for each endorsement area prior to certification.
