## French BA

(45 Credits)

### Why study a language?

Students learn the practical skills of speaking, listening comprehension, reading, and writing, while also building enhanced analytical and critical thinking skills. Language is one of the foundations of cultural diversity and the program helps students better understand their own heritage.

Sample careers include: Teaching, Business, International Affairs, Social Services, Health Care, and Criminal Justice

### Study Abroad Opportunities

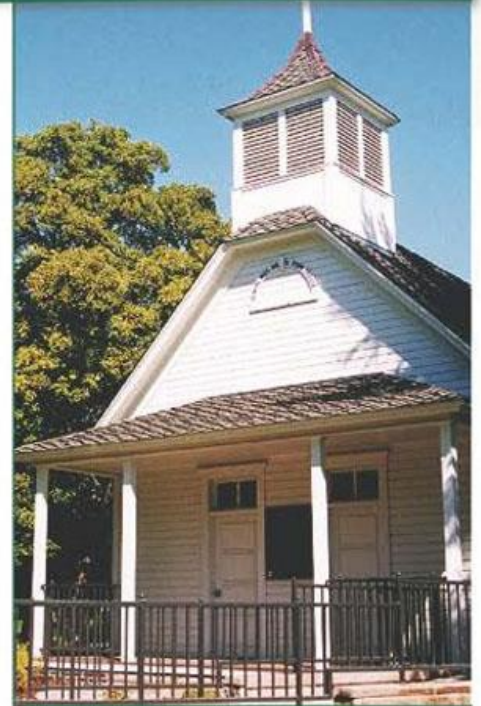

The Modern Languages Department offers a summer program in France at the University of Nice, where EWU students and professors study the language and culture together.

Other opportunities to study in locations across the globe can be coordinated through the Study Abroad Office. Contact Elena Axton at 509.359.6275 or [studyabroad@ewu.edu](mailto:studyabroad@ewu.edu).

### Complementary Courses

Many French students have found the following courses or second majors offered at EWU to enhance their understanding of language and engage their minds in new and different ways:

- English as a Second Language
- Government and International Affairs
- Women's and Gender Studies
- Philosophy
- English Literature
