## Spanish BA

(60 Credits)

### Why study a language?

Students learn the practical skills of speaking, listening comprehension, reading, and writing, while also building enhanced analytical and critical thinking skills. Language is one of the foundations of cultural diversity and the program helps students better understand their own heritage.

**Sample careers include:** Teaching, Business, International Affairs, Social Services, Health Care, and Criminal Justice

### Study Abroad Opportunities

The Modern Languages Department offers a summer program in Salamanca, Spain at the Colegio Delibes, an excellent opportunity for a first study abroad experience.

Other opportunities to study in locations across the globe can be coordinated through the Study Abroad Office. Contact Elena Axton at 509.359.6275 or [studyabroad@ewu.edu](mailto:studyabroad@ewu.edu).

### Complementary Courses

- English as a Second Language
- Government and International Affairs
