## English, Literary Studies BA

### Why study English Literature?

At the heart of the English program is a passion for critically, creatively, and professionally using the English language. The Literary Studies option emphasizes the understanding of great literary works and the writing of analytical essays. Students will refine their presentation and writing skills through critical examinations of literary texts.

### Scholarship Opportunities

The EWU English Department offers three scholarships per year to students achieving academic excellence in their majors. The Ralph Tiejé, Jr. Endowment is awarded to an English major in his or her fourth year on the basis of scholarship and character. In recent years, the amount awarded has been \$1,350. The Harold and Verna Kleiner Memorial Fund is an annual scholarship awarded to a worthy and deserving student studying any option in the English Department. The selection of the scholarship recipient and amount is determined jointly by the university's Board of Trustees and English Department faculty.
