

Management BAB

69 business core credits; 24-25 major credits, 20 credits for Minor

Why study General Business Management?

If you're considering business ownership; entry positions in management in private sector, public sector, or non-profit organizations; or advancement to an MBA degree, the general business management option is an excellent choice.

Career Opportunities

Managers propose ways to improve an organization's efficiency and increase profits. They coordinate activities and employees within an office setting. Managers also collect, review, and analyze information to assist in solving business challenges.
