

As one part of ongoing program assessment at Eastern Washington University, each department is asked to report on assessment results for *each* program for *at least one* Student Learning Outcome this year. Use this electronic file to report on your program assessment for AY 2009-10, and please submit it to both Nancy and Elisa by the end of spring quarter. The following definitions explain the assessment information you'll enter in the table below:

1. **Student Learning Outcome:** The student performance or learning objective as published either in the catalog, the AIEA assessment data portal, or elsewhere in your department literature.
2. **Strategy or method of measurement:** Mode and process through which student performance data was gathered. Examples: embedded test questions in a course or courses, portfolios, in-class activities, standardized test scores, case studies, analysis of written projects, etc. Additional detailed description could describe the use of rubrics, etc. as part of the assessment process.
3. **Observations gathered from data:** The findings and analysis of those findings from the above strategies.
4. **Actions recommended based on observations:** Course (activities or content) or program changes recommended.
5. **Plan and timeline for taking action:** How the recommended actions will be implemented, and in what timeframe.
6. **Overall evaluation of progress on objective:** The extent to which the student learning outcome is still valid and the assessment of it is producing important and meaningful data.

Please fill out a separate assessment table for each program of study (e.g., one table for BA-Art, another for BAE-Visual Arts, etc.) As needed, add additional rows to the table for each student learning outcome for which you gathered assessment results during 2009-10.

Bachelor of Arts (BA) Studio Art Major

Have advanced skills and knowledge to create works of art in at least one medium.	Critiques (oral examinations) in class, done with teacher(s) and with group of peers during spring quarter of 2010 in 400 level studio courses.	Of the 6 upper level studio art courses (455 Painting, 465 Sculpture, 425 Ceramics, 403 Digital, 404 Photography and 400 Drawing): 24 BA studio art majors. 87.5% are performing at 90% and above. 12.5% are performing at 59% and below.	Continue with current model. This strategy continues to be a successful tool within the Studio Arts program.		SLO is working effectively and is central to the program mission.
