Understand, develop, demonstrate and practice appropriate curriculum and teaching methods for studio and for art history criticism and aesthetics.	Through weekly reading with reflection papers and discussion, weekly practice tests for the WEST-E, creation and presentation of a twelve week curriculum plan as a final examination.	Findings from 1 section of ART 393 winter quarter 2012 indicate all 8 students had the ability to understand, develop, demonstrate and practice appropriate curriculum and teaching methods for studio and for art history criticism and aesthetics.	Continue with current model. The Art Department is currently working without a Professor of Art Education. The SLOs for the BAE in Visual Arts/ Elementary will be evaluated/ updated in 2013-14 after a Professor of Art Education is hired.	N/A	SLO is working and is central to the program mission.
