

2010-11 Program Assessment Update

Department & Program: Chemistry BA

submitted by: Robin McRae

Please fill out a separate assessment table for each program of study (e.g., one table for BA-Art, another for BAE-Visual Arts, etc.) As needed, add additional rows to the table for each student learning outcome for which you gathered assessment results during 2010-11.

1. Student Learning Outcome	2. Strategy or method of measurement	3. Observations gathered from data	4. Actions recommended based on observations	5. Plan and timetable for taking action	6. Overall evaluation of progress on objective
Demonstrate sufficient preparation in chemistry to successfully compete in a science-related career.	survey of job status of graduates in last two years	N/A There have been no B.A. degree graduates in last two years.	N/A	N/A	Valuable objective; may need rewording to improve measurability.
