submitted by: Nancy Hathaway, Chair – Art Dept.

1. Student Learning Outcome	2. Strategy or method of measurement	3. Observations gathered from data	4. Actions recommended based on observations	5. Plan and timetable for taking action	6. Overall evaluation of progress on objective
Students will develop competency in medium of choice.	Students develop competency by completing 20 credits of upper division studio course work in their chosen medium. Student success is measured through individual and class critiques of student artwork.	Findings from studio courses indicate that students are competent in both technical and conceptual aspects of their chosen medium by time of degree completion.	Continue with current model.	NA	This SLO is still central to the program.
