

## 2010-11 Program Assessment Update

Department & Program: Art, BAE Visual Arts Secondary Major

submitted by: Nancy Hathaway, Chair – Art Dept.

1. Student Learning Outcome	2. Strategy or method of measurement	3. Observations gathered from data	4. Actions recommended based on observations	5. Plan and timetable for taking action	6. Overall evaluation of progress on objective
Develop, demonstrate and practice understanding and knowledge through discussing the philosophical and historical foundations of Art Education, and be able to articulate and discuss art within our own culture and the art of other cultures.	Critiques, oral and written examinations and class discussions during spring quarter 2011 in Art 393, Art in the Secondary school.	Findings from 1 section of 393 winter quarter 2011 indicate 10 of 10 students had acquired and were proficient in curriculum research and development appropriate to teaching art standards grades 8-12.	Continue with current model.	N/A	SLO is working and is central to the program mission.
