Dr. Helen Bergland  
Interim Director for Assessment & Accreditation  
Eastern Washington University  
214 Showalter Hall  
Cheney, WA 99004

Dear Director Bergland:

This is to certify that the Northwest Commission on Colleges and Universities (NWCCU) is the regional institutional accrediting agency for colleges and universities in the states of Alaska, Idaho, Montana, Nevada, Oregon, Utah and Washington. The Northwest Commission on Colleges and Universities is recognized as a reliable authority on regional, institutional accreditation by the United States Department of Education.

This letter serves to verify that Eastern Washington University, located in Cheney, Washington, has been accredited continuously by NWCCU since receiving initial accreditation in 1919. The Northwest Commission on Colleges and Universities accredits Eastern Washington University at the baccalaureate, master's, and doctoral degree levels. The Commission most recently reaffirmed the accreditation of the University in spring 2015 on the basis of a comprehensive Year Seven evaluation. The University's next comprehensive evaluation is scheduled for spring 2022.

The institutional accreditation of Eastern Washington University includes the English language program.

I hope this information is helpful. Please contact me if you have questions regarding the University's accredited status with the Northwest Commission on Colleges and Universities.

Sincerely,

Elsa J. Gossett  
Coordinator, Communications and  
External Relations
