Music Diversity Speaker Series

Brent Talbot Ph.D.
Associate Professor, Gettysburg College

Wednesday April 21, 11 a.m. - noon
Zoom link on EWU’s Diversity and Inclusion week website

Host: Dr. Sheila Woodward
swoodward1@ewu.edu

Systemic oppression in education

Dr. Talbot discusses issues of diversity, equity, access, inclusion, and belonging, with specific examples in school settings. Dr. Talbot will draw upon his experiences as a gay music teacher and as a researcher of various forms of oppression in the field of music education. He will offer a number of practical ways teachers can successfully advocate for students from marginalized backgrounds and help contribute to cultivating safe and inclusive spaces for learning.
