

# Disability Support Services

## IMPORTANT ANNOUNCEMENT!

New For  
Fall 2020!

### *DSS has a new, efficient way to manage student accommodations!*

MyDSS is a software system that makes it easier to track accommodations, appointments, and case management. We hope that by implementing MyDSS we can create stronger connections with our DSS students and enhance open communication with our faculty!

#### MyDSS Student Portal

Current DSS students can log in to MyDSS to:

- View their student profile
- Request and/or modify accommodations per class, per term
- Request additional accommodations
- Submit additional documentation
- Schedule an appointment with one of our Accommodation Specialist (DSS Advisor)
- Schedule/change/cancel an exam (*Only applies to students with Alternative Testing as an accommodation*).
- Electronically sign DSS forms

#### MyDSS Faculty Portal

Faculty who have DSS students in their course(s), can log in to MyDSS to:

- View a list of students who have requested DSS accommodation(s)
- View each individual student's accommodation(s) plan
- Complete the DSS Exam Proctor Agreement
- Upload exams & add additional exam instructions
- View the Faculty Notification Letter
