

FALL 2017 TEXTBOOK ADOPTIONS DUE May 5th

Why do we want your textbook adoptions so early?

-  We can find more used copies of the titles you choose
-  We can give more student on campus cash by buying back their copies
-  More opportunities for rentals
-  If the title that you have chosen is out of print/stock, we can resolve the issue quicker

For best results

-  Provide the precise *ISBN and edition* of the desired textbook.
-  We will be conservative when ordering custom titles. We welcome any discussion on this matter

Supplies (NEW)
