

Other Paid Leave

What you need to know

Eastern policies also provide other types of paid leave.

- **Bereavement Leave** – provides 3 days of paid leave for the death of a spouse, registered domestic partner, child, parent, parent-in-law, registered domestic partner's parent, sibling, grandparent, grandchild, or household member.
- **Jury Duty / Civil Leave** – provides regular salary for employees subpoenaed for jury or witness service. If employees receive compensation for jury or witness service, this must be reimbursed to the university (less any expenses).
- **Military Leave** – provides paid leave for up to 21 working days each year (defined as beginning October 1st through September 30th) for active military duty or active training duty for Guard or Reserve. Also provides leave of absence without pay for service in the armed forces or military deployment of a spouse, to the extent required by state and federal law.

Need to talk to someone about using any of these types of leave?
