

Parking Services

What you need to know

The Cheney campus offers only one free parking lot, P-12, located on the upper level behind Roos Field (the football stadium). Other campus parking lots require a paid parking permit to use the lot, which are available quarterly and/or annually.

Parking Services is located at 131 Tawanka Hall; the office is open weekdays from 8:00 am to 4:45 pm (excluding holidays).

Street parking is available on most streets surrounding the Cheney campus, but available spots fill up quickly in the mornings.

Metered parking is also available adjacent to some buildings.
