

Tuition Waiver Program

What you need to know

As a faculty member, you are eligible to participate in the state's tuition waiver program. Program applies only to employees (not for family members).

The tuition waiver program allows you to pursue undergraduate, masters, and doctoral degrees for a nominal cost. You may take courses at ***any*** public Washington State institution.

Not all courses are covered; in general, "self-support" courses, such as summer program courses, are not included.

Eligibility and other information is located here:

<https://sites.ewu.edu/policies/policies-and-procedures/ewu-409-04-state-and-instructional-employee-tuition-waivers>.

Note that each participating Washington educational institution has their own specific tuition waiver application form, which you may find on their individual websites, along with the fees charged by each institution*. Once you've completed the form, bring it to EWU Human Resources for verification of your employee status.

**Eastern employees may take up to 10 credits of Eastern courses for a \$5 fee per quarter (or semester).*
