# SOAR Degree Audit

SOAR is an automated record reflecting academic progress toward degree completion. By considering completed coursework, current EWU enrolled courses, future EWU registration, and transfer coursework, SOAR provides timely information on the student's progress toward degree completion.

- ➢ **Students** – All students have access to SOAR. SOAR may be accessed via MyEWUPortal. Click the **Students** tab, in the **Student Records** channel, click the **SOAR Degree Audit** link.

- ➢ **Advisors** – SOAR must be requested.
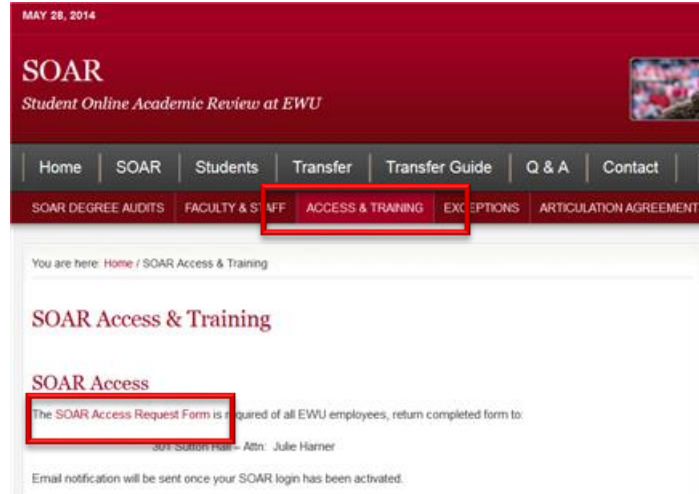

- ➢ **Faculty** – SOAR must be requested.

Note:
- SOAR is not an official transcript. It is an internal document that is not intended to report student achievement to outside parties.

- It does not replace written information; such as the University catalog, program fliers, and other handouts that explain programs and their procedures.

- It does not replace advising – SOAR enhances advising and encourages student contact with advisors to help make it easier and lead to more meaningful interactions between the advisor and student.

Benefits
- ➢ Assists students and their advisors monitor progress towards degree completion.

- ➢ Lists university & degree requirements in one audit.

- ➢ Takes the "guesswork" out of selecting courses for future enrollment.

- ➢ Displays what requirements are complete and what still needs to be taken.

- ➢ Calculates the EWU GPA as well as the GPA for various areas, such as the major and minor.

- ➢ Shows where official transfer work will apply toward degree requirements.

- ➢ Exceptions (approved course substitutions) are displayed within the degree requirements.

- ➢ Anticipate and pinpoint problem areas early on, allowing timely resolution.

- ➢ Draws EWU information from Banner. Audit information is up-to-date each time a new SOAR audit is run.

- ➢ A "What If" SOAR audit can be produced that displays how coursework already completed applies toward another major, minor, certificate, or endorsement.

- ➢ Enhances student success at EWU
