Part D - Total Entering Class

Total Entering Class - Fall 2007

Number of full-time first-time degree/certificate-seeking <u>undergraduates</u> (your fall cohort reported in Part A)	1,313
Total <u>entering students</u> at undergraduate level, Fall 2007	
Note: This number should include first-time (both part-time and full-time) students as well as students transferring to the institution in Fall 2007.	2,307
Percentage of entering class represented by your GRS <u>cohort</u>	57

Part E - Retention Rates

Retention rates will be automatically calculated based on information provided by the institution.

Data to be entered by the institution:*

- Full- and part-time bachelor's cohorts from Fall 2006 (include only FIRST-TIME students);
- Exclusions from each of these cohorts (see below for allowed exclusions); and
- Number of students from these cohorts who are still enrolled in Fall 2007 (include students that re-enrolled and students with continuous enrollment).

Use your institution's official fall reporting date or October 15 when counting students. The student status (full- or part-time) should be based on the fall 2006 status, even if this has changed by fall 2007 (e.g., if a student has gone from part-time to full-time, report them as part of the part-time cohort).

*Report full-time and part-time separately in their appropriate boxes.

In the Exclusions boxes (for both full- and part-time), report the number of students who left the institution for any of the following reasons:

- Died or were totally and permanently disabled;
- Serve in the armed forces (including those called to active duty);
- Serve with a foreign aid service of the Federal Government (e.g., Peace Corps); or
- Serve on official church missions.

The system will subtract these from the cohort prior to calculating the retention rate. Do not include students who transferred into the institution as part of your fall cohort.

Retention rates (for both full- and part-time) will be computed by the system and will appear in the 2nd column after clicking Save.

For institutions that use a full-year cohort: Use the 3 month period of August 1 through October 31 to define the retention cohort.
