

Sole Source Contract Award Notice

Publication Date: August 23, 2022

Procurement and Contracts at Eastern Washington University hereby publishes notice of the intent to issue a sole source contract. This notice is being given pursuant to the Revised Code of Washington (RCW) 39.26.140.

The university proposes to purchase products or contract services from EAB for the following:

An academic advising and retention technology solutions program component for analytics and benchmarking, EAB Academic Performance Solutions (EAB - APS) for use with the EAB Global Research Partnership contract that currently provides EWU with comprehensive access to research programs, collaborative support for senior campus leaders, and professional development and engagement opportunities for campus staff.

EAB - APS is the only vendor that can provide products and services compatible with required specifications and existing programs.

The Director of Procurement and Contracts has determined there is only one vendor qualified to provide this commodity or service.

Any vendor may file a challenge to this sole source award by contacting:

Michelle Rasmussen, Chief Procurement Officer
