

Eastern Washington University

Amendment No. 3 to RFP 25-AS02 for Campus Master Plan Consulting

Proposal Due Date: October 25, 2024

Eastern Washington University (EWU) is amending its original RFP as well as changes identified in the second amendment as follows:

COST PROPOSAL

EWU is asking bidders to submit hourly rates for key personnel who would be assigned to the project. EWU is no longer requesting bidders to provide an estimate of the total cost of the project. After reviewing all bid submissions and identifying the apparent successful consultant, EWU will work with the apparent successful consultant to further delineate the requested scope of work and establish a contract based on hourly rates with a not-to-exceed limit. EWU’s evaluation process is designed to identify the consultant whose proposal best meets the needs of EWU.

EVALUATION AND CONTRACT AWARD

Section 4.2 of the original RFP is replaced in its entirety with the following:

Qualifications of Key Personnel	20 Points	
Relevant Experience	30 Points	
Performance on Previous Projects	30 Points	
Firm’s Ability to Perform	20 Points	
Initial Total		100
Interview	50 Points	
Overall Score		150

EWU reserves the right to award the Contract to the Contractor whose Proposal is deemed to be in the best interest of EWU and the State of Washington.
